PGY-2 Geriatric Pharmacy Residency

ASHP accredited since 2004

**James J. Peters
VA Medical Center
Bronx, New York**

MAKE THE MOST OF YOUR RESIDENCY

Spend the next year of your professional life in an advanced practice setting that offers challenging learning opportunities and an outstanding experiential environment with a dedicated group of clinical specialists and professionals.

As a resident at the James J. Peters Medical Center, you will receive a generous stipend and are eligible for health, dental, and optical insurance benefits and a public transportation stipend. Parking privileges may be available for those who drive to the hospital.

Our program offers one position for a PGY-2 Geriatric Pharmacy Resident.

ABOUT THE MEDICAL CENTER

The Medical Center is affiliated with 3 premier academic medical institutions in New York City. It is 1 of 7 Renal Transplant Centers in the VA and a regional referral center for bariatric surgery, spinal cord injury, multiple sclerosis, polytrauma, amputee care, and microvascular head and neck surgery and robotic surgery. Our comprehensive ambulatory practice care for over 250,000 patient visits annually.

Manhattan is very close by, making it easy to enjoy all the cultural activities, nightlife, and exciting pace that New York City has to offer. The Bronx Zoo, one of the top ten zoos in the world, and Yankee Stadium are only minutes away.

You will be working side-by-side with our excellent team of clinical pharmacists, geriatricians, and geriatric nurse practitioners.

Our team of clinical pharmacy specialists have prescribing authority and are directly involved in patient care. Inpatient clinical pharmacists practice in critical care, acute care, spinal cord injury, and geriatrics. Outpatient clinical specialists are based in primary care, anticoagulation, endocrine, geriatrics, heart failure, and infectious diseases clinics.

Throughout your residency year, you will participate in our long term care interdisciplinary team meetings, geriatric outpatient clinic, home based primary care program, and round with the inpatient medical team.

As a teaching hospital, there are many opportunities to precept pharmacy students on rotation and our PGY-1 pharmacy residents.
